An interactive app tied to a debit card for parents and kids

One debit card
two app experiences

Parents can manage
all their kids' finances
within the app

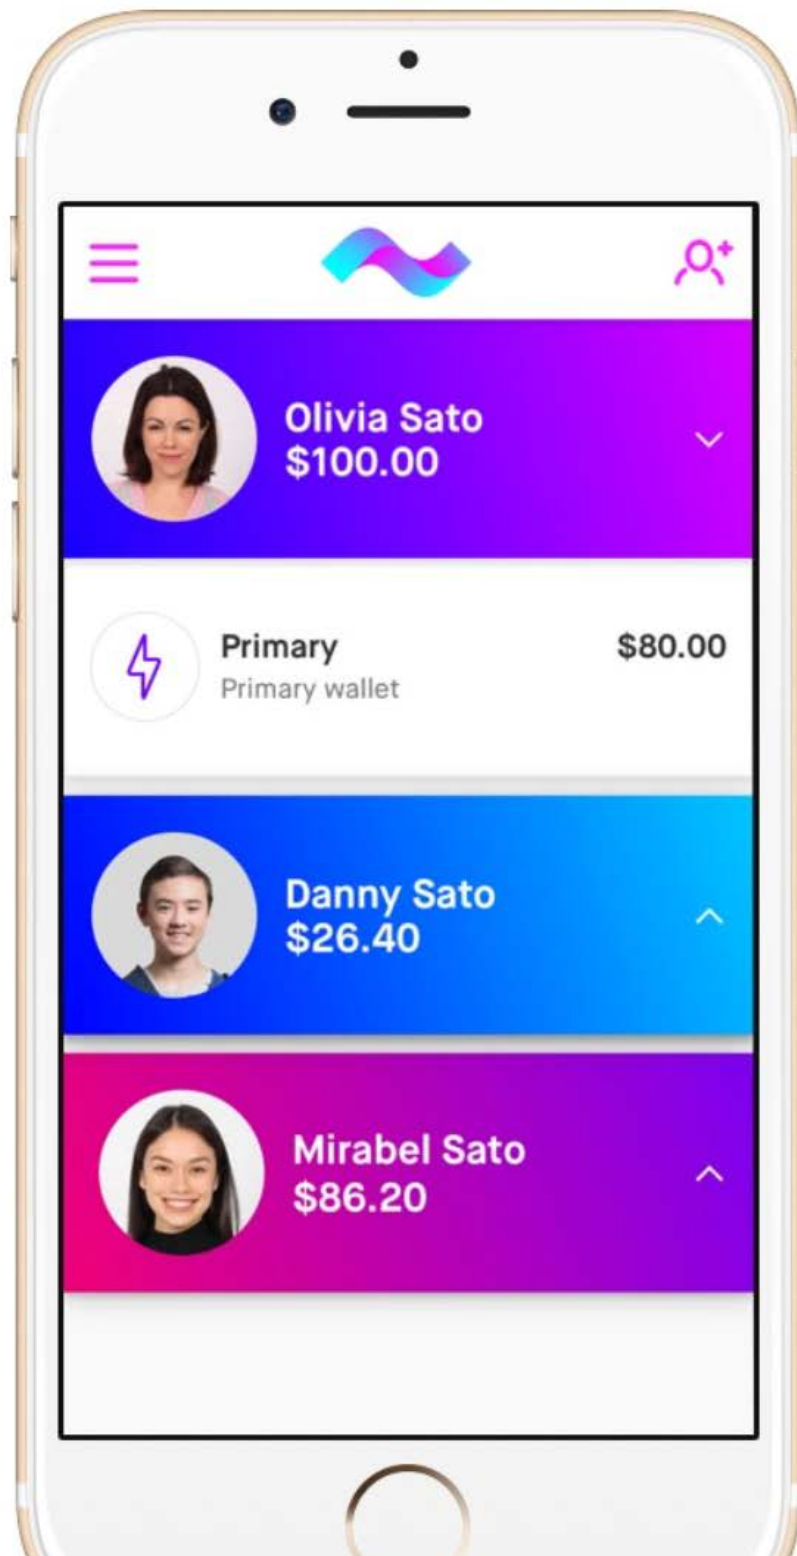

Kids get a card and
digital wallets to help
spend, save and give

Current

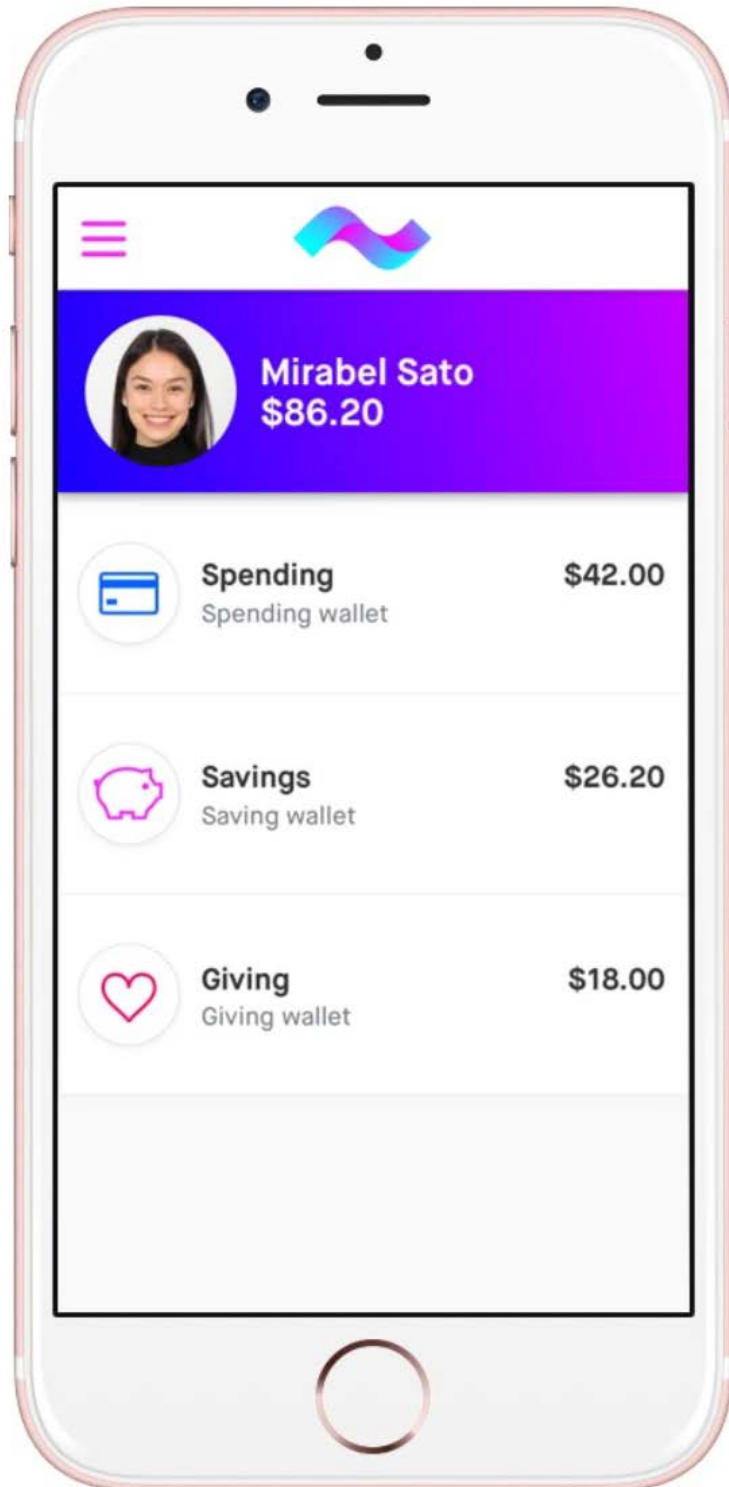

The Primary wallet

This enables parents to make free instant transfers to their kids. It's useful for emergencies and one-off payments.

Current

The Spending wallet

This is linked to the debit card. It's for day-to-day expenses, viewing their allowance and managing chores.

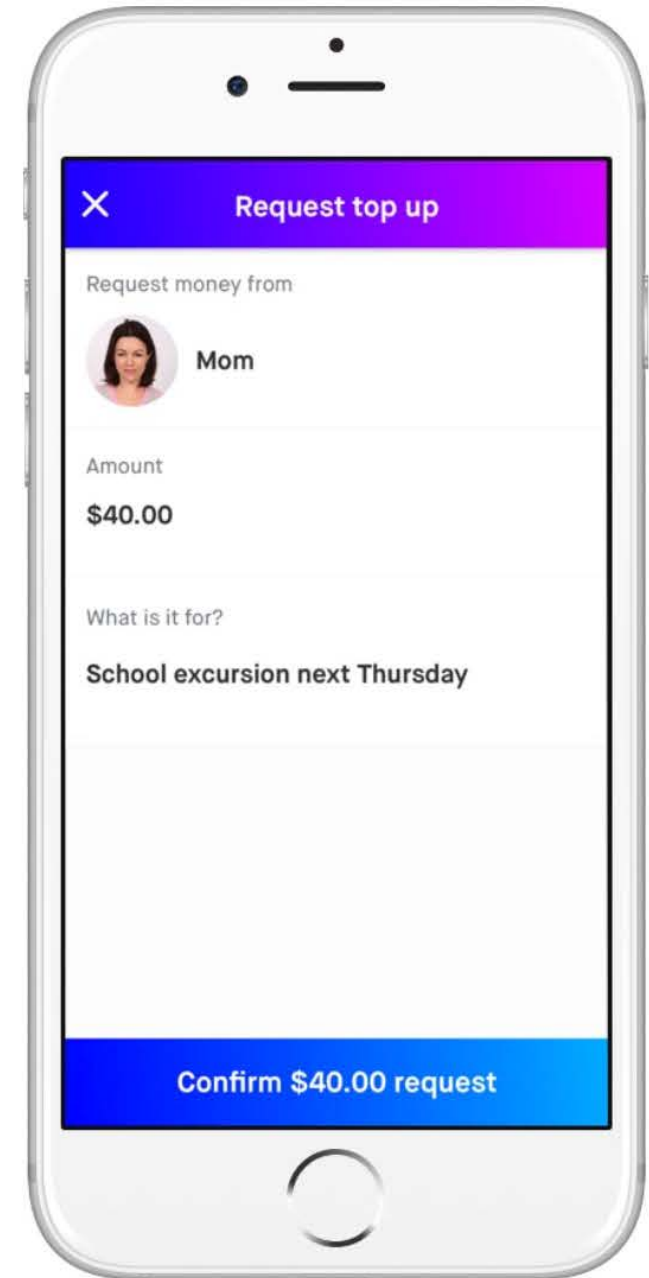

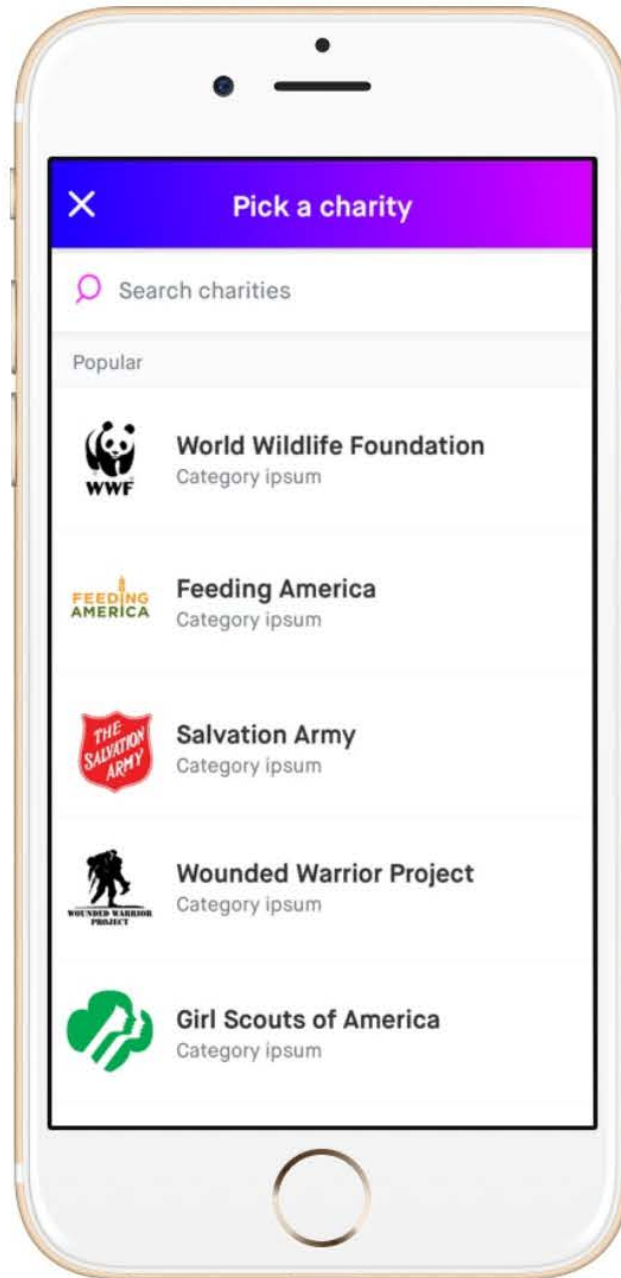

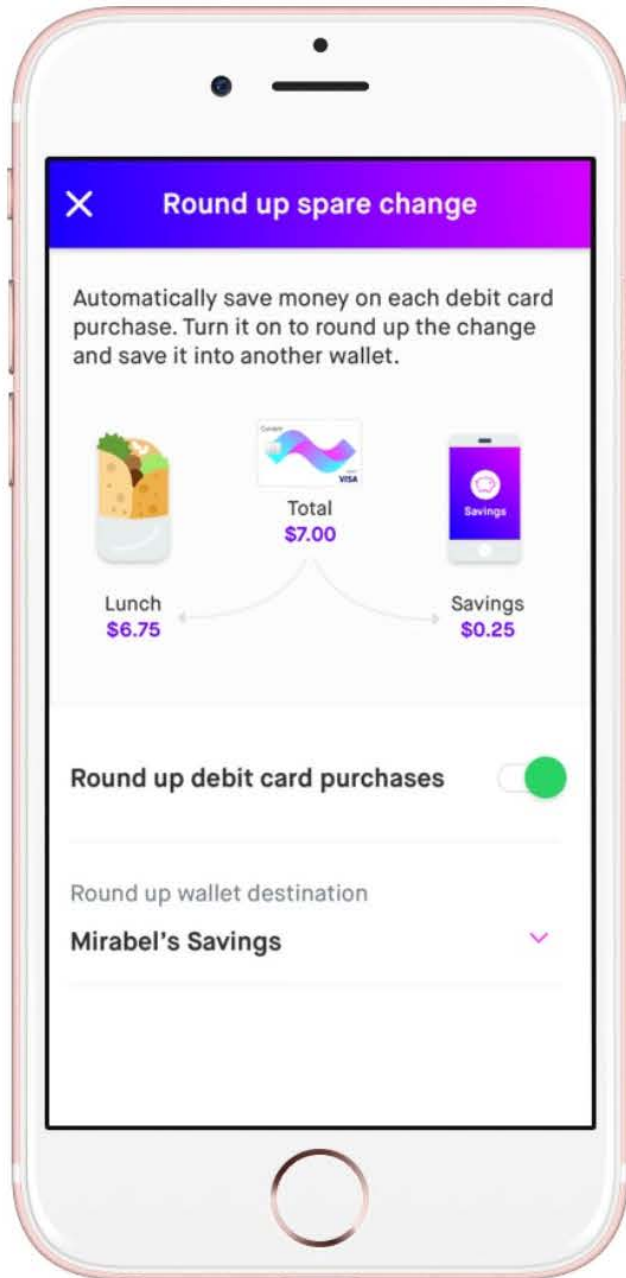

The Savings wallet

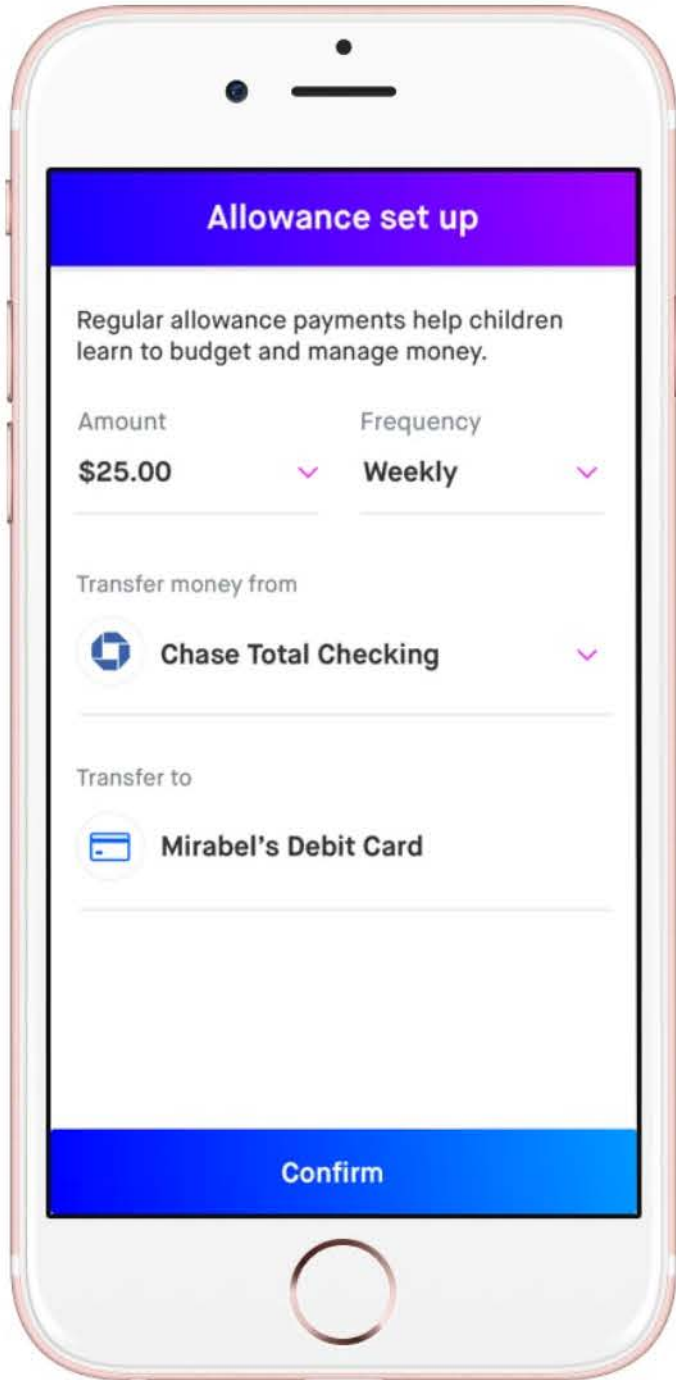

This helps kids to put money away for a rainy day. Kids can automate savings through our round-ups feature.

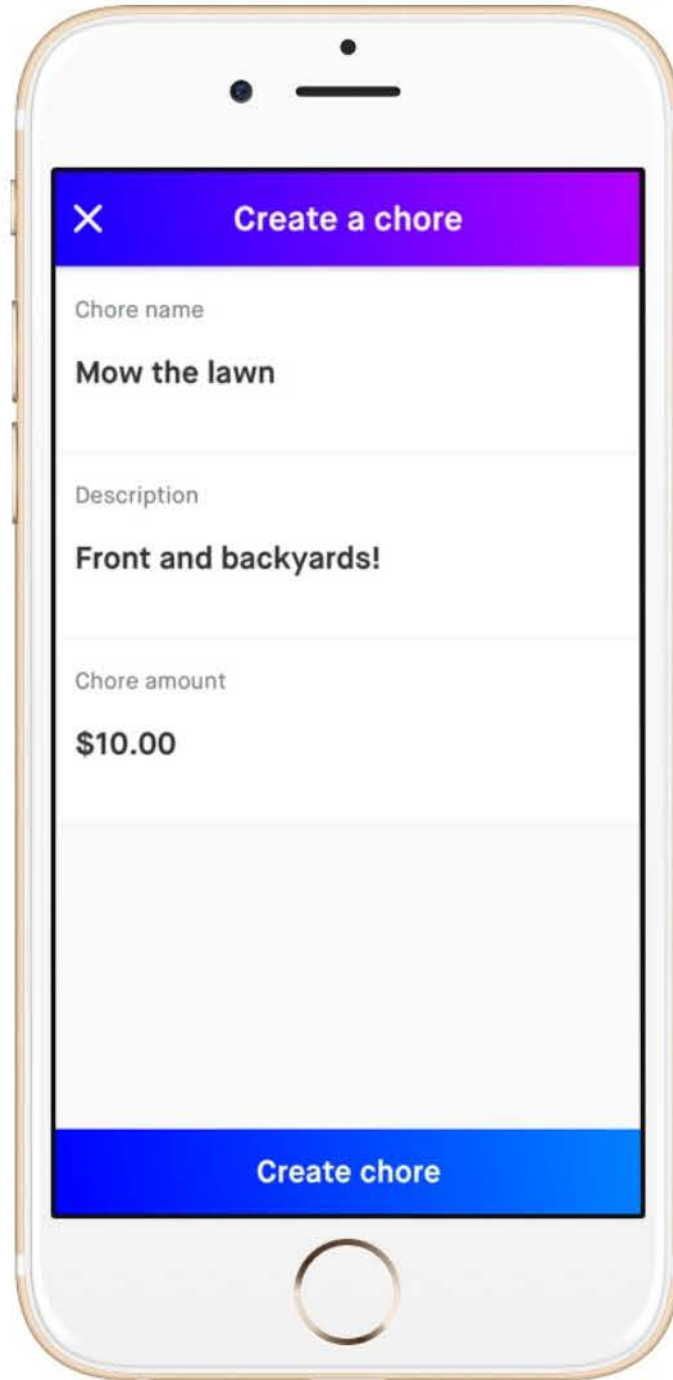

The Giving wallet

This enables kids to donate to thousands of local and national causes. It helps to teach empathy.

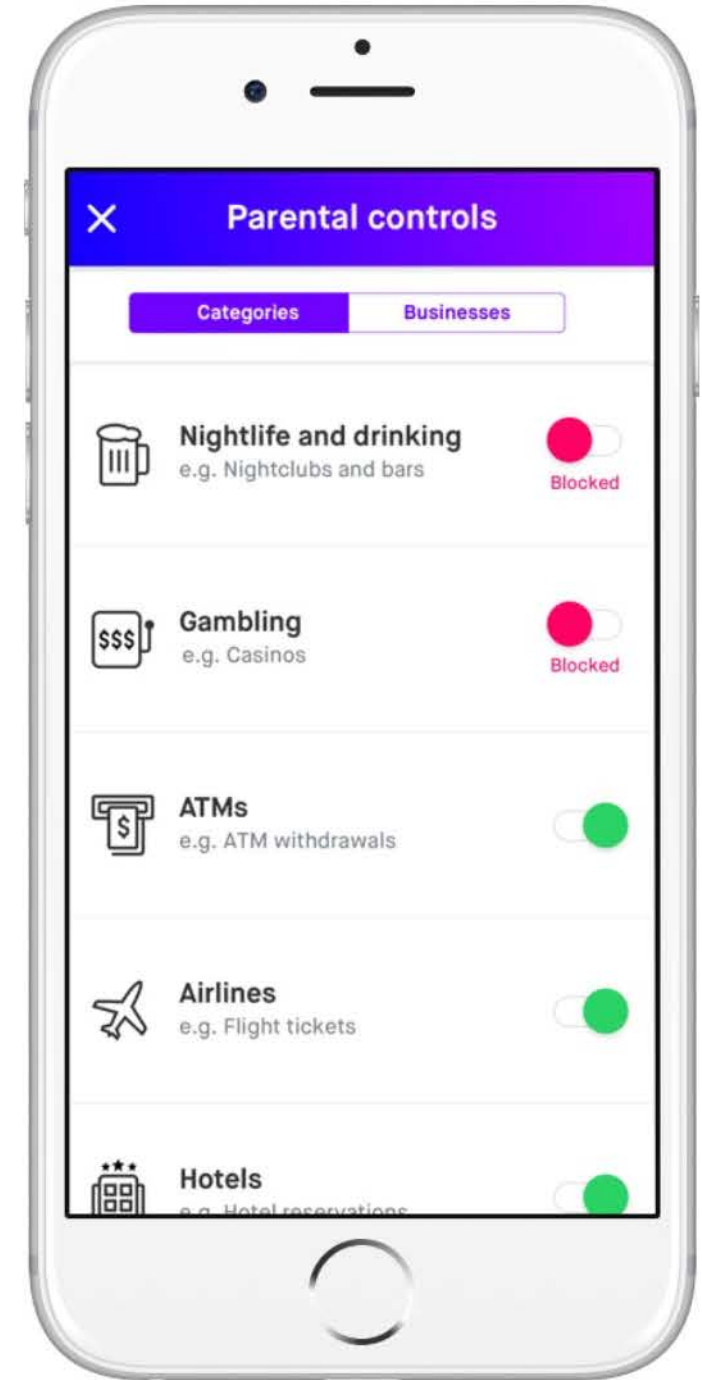

Automate an allowance

Set up and manage chores
